Hey Dan,

Let me forward this to one of our attorneys and see if we can get something in writing for you. Standby

Hey Kimmy,

Pending the outcome of your call today if you are 100% confident that our insurance company can get this loan approved and funds available in the next 60 calendar days, then I would want a cash advance of \$500k to cover our next extension.

How soon can we make these funds available if the insurance company is giving us the green light and now it is just a waiting game?

Thanks!
